

What is it? A chance to gather virtually as a faith community.

What will we do? We will complete an ornament craft, watch a brief video of the Christmas story, have a snack, and play a game.

What ages can join? All ages! Since you are participating from your home, everyone in the family can join in. There is a separate time for teens that will be geared more towards them.

What do I need in preparation? You need your [ornament paper](#), your [nativity craft](#), and some items for a snack (pretzels, graham crackers, apples, carrots, anything will do).

Please RSVP to Christine.devito@dor.org to get the Zoom link!
