

Faith Formation Supplies

Crayons

Markers

Colored pencils

Pencils/Pens

Scissors

Tape

Glue sticks

One folder per child

Construction paper

Sticky note pad

A few sheets of white paper

Bible

These supplies are for your family to use at Community Faith gatherings and at home when you work on your Gospel Weeklies. I'll provide a small bag at the first session to contain the materials. Please bring an amount of each item that you think is appropriate for your family (for example, you may want each child to have a pair of scissors, but you can probably all share the sticky notes). Please plan to replenish as needed this year.
